## School of Science

### An Example on Student’s Pathway (as of 25 July 2022)

#### School:
- School of Science

#### Department:
- Division of Life Science

#### Program:
- BSc in Biological Science

#### Background:
- **Core C1 & C2**: University CORE
- **LIFS**: Major Program
- **COMP**: Core in Computing Science
- **CHEM**: Core in Chemistry
- **PHYS**: Core in Physics
- **OCES**: Core in Environmental Science
- **MATH**: Core in Mathematics

#### Notes:
- **Core in Biological Science**
  - Required courses and electives include University CORE
  - Major Required Courses and Electives
  - Biological Science Electives
  - Sub-total for University CORE

#### Course Offering and Scheduling:
- Students should check course offering and scheduling for updates.

#### Major Requirements:
- **Major Pre-requisite Requirements**

#### Required Credits for School / Major Pre-requisite Requirements:
- **Major Requirements**

#### Remarks:
- **Remarks on course(s)**:
